## CLIENT TESTIMONIAL

It's always good to know that core company values are represented across all company divisions!

"I would like to take this opportunity to tell you about the wonderful experience we had when we came up to look at the Good Life RV Resort a few weeks ago. Our sales consultant was Yvette and both my wife and I could not have been more impressed by both her professionalism in letting us know about all aspects of the resort and the local Howard area, but also how much she knew about the resort itself. We cannot wait to revisit with Yvette and start the process of building our home at Good Life. You are extremely lucky to have such a lovely young lady representing Good Life RV and Lifestyle Resort, she was not only very professional but interacted with us like she had known us for years. That is very rare to find in many people today."

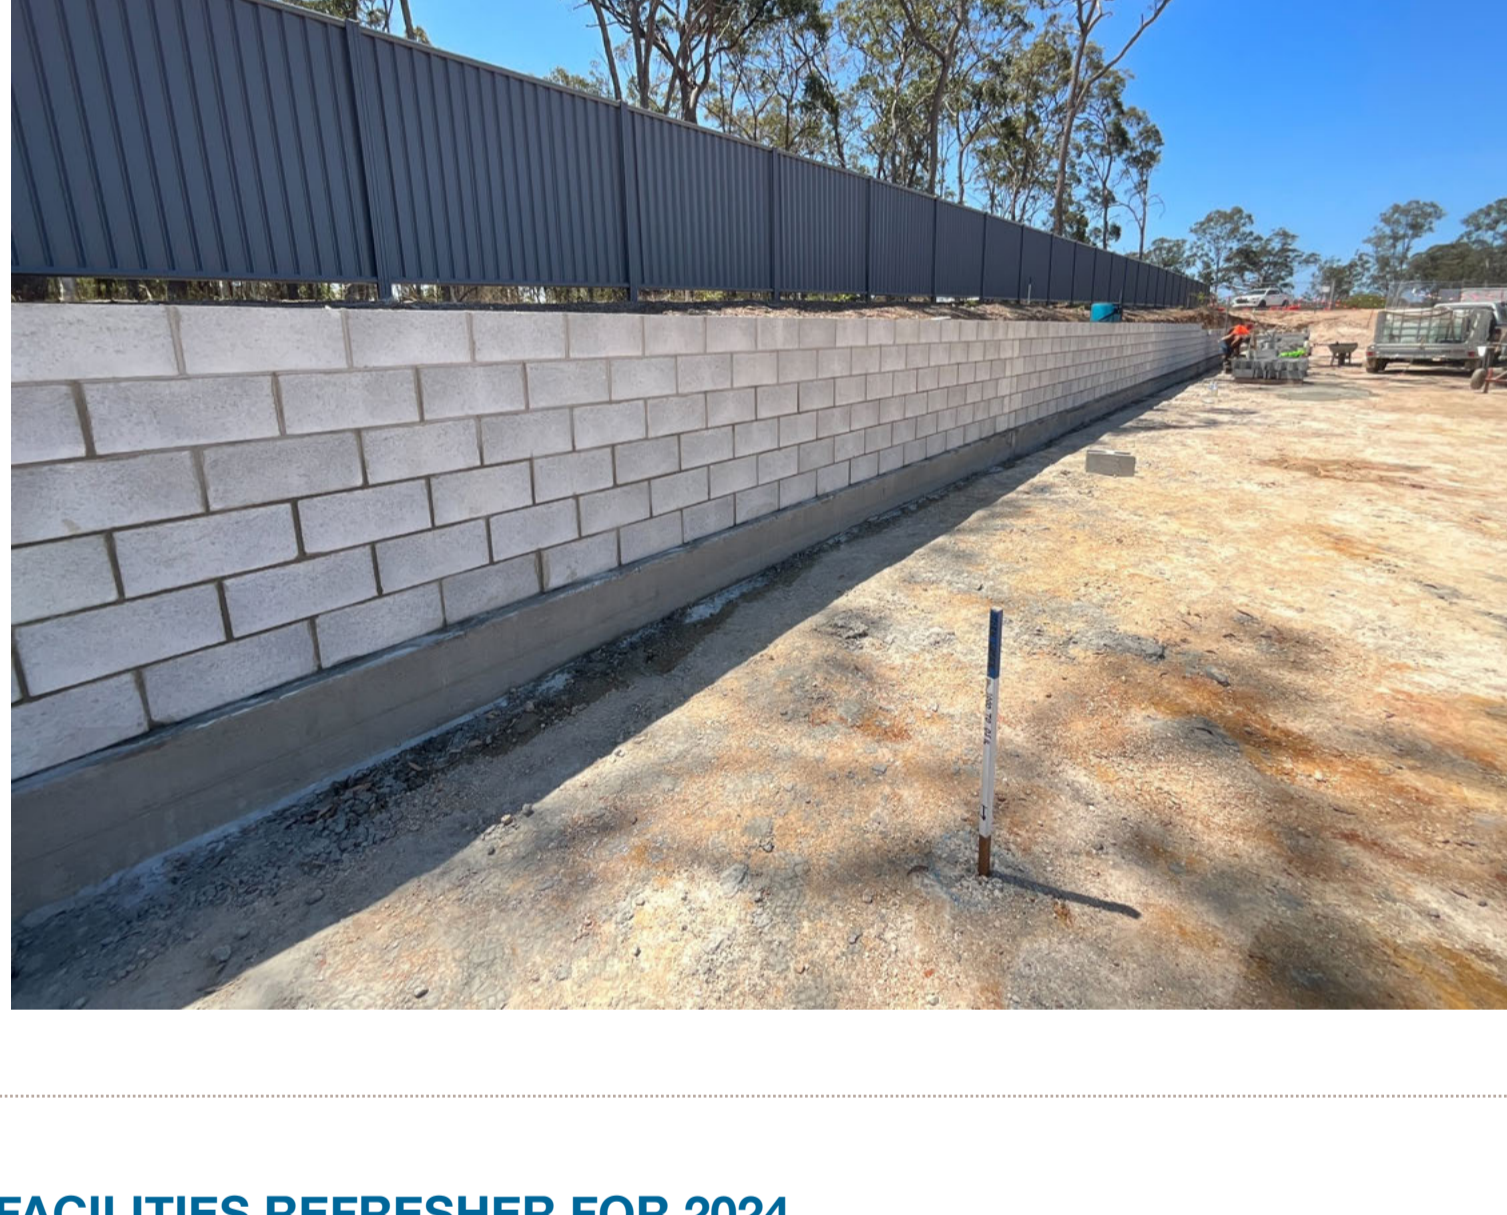

Yours Sincerely S & L Jackson

## CONSTRUCTION UPDATE:

Works on the Clubhouse precinct continues as we move on the completion of the retaining walls and site stormwater connection.

The site is being prepared for the clubhouse building footings, including concrete bored piers in readiness for installation of steel posts and portal steel frames.
