GOOD LIFE RV AND LIFESTYLE RESORTS
FRASER COAST

William Street, Howard, Fraser Coast

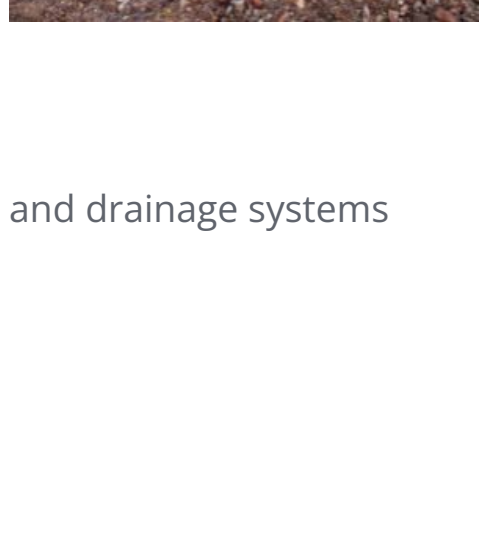

July Edition 22.

On the ground.

Construction Update.

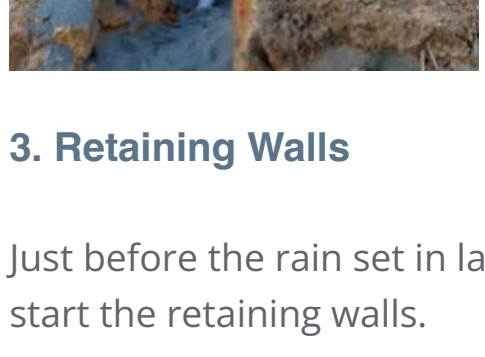

1. Earthworks

This photo shows lots 82-74 on the left hand side in readiness for new homes. With sewer connections installed for these lots, we are thrilled to be starting construction of new homes shortly.

2. Services

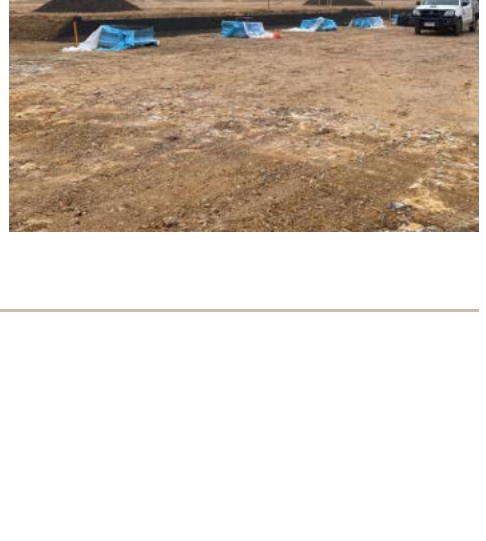

Installation of storm water and drainage systems continue on site.

Sewer works are progressing well following the recent dry weather in June.

3. Retaining Walls

Just before the rain set in last week, we were able to start the retaining walls.

Go Green This Winter.

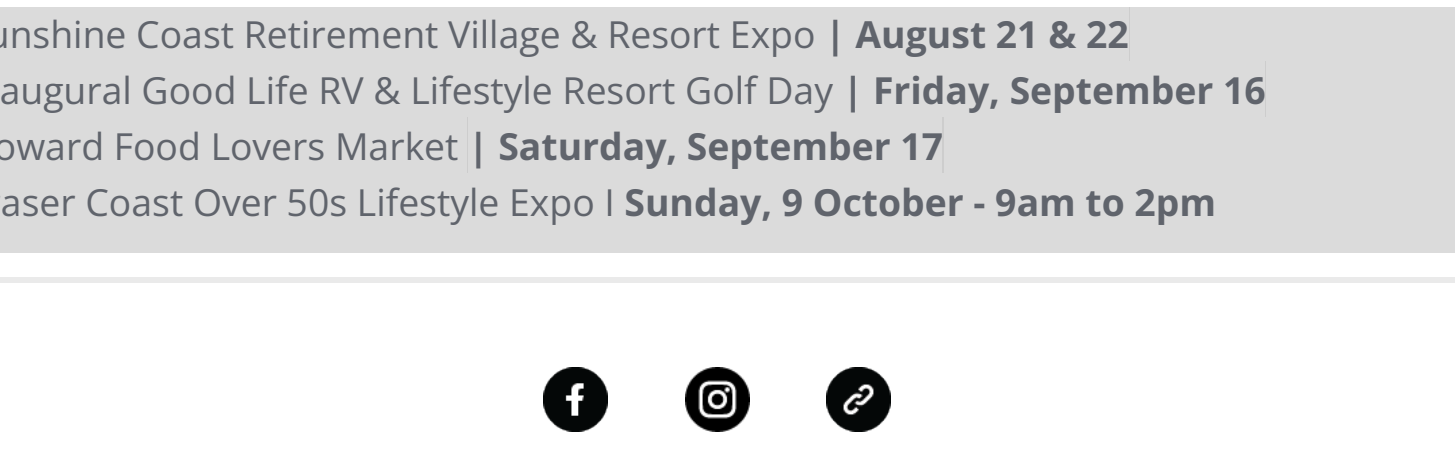

Our top tips when decorating your home in the winter season.

The colour green is depicted as one of the most trendy colours in the world of interior design, especially during the winter time. Whether it be utilising the shades of emerald, jade, sea green or forest green, make the green come to life in your home.

According to interior designers, the colour green symbolises balance and positivity which can transform your home into a warm environment that can be achieved through designing your home using the colour green.

Below are some ideas to bring out the green interior in winter:

Flores Ceramic Planter with Stand, \$49.99, www.templeandwebster.com.au | Stanford Olive Green Bedside, \$199.00, www.amartfurniture.com.au | Konstfull Vase, \$26.00, www.ilea.com.au | Sheridan Milson Throw, \$76.00, www.sheridanoutlet.com.au
