HAPPY EASTER!

We hope you are looking forward to a long weekend with family and friends. Whether you're off on an adventure or relaxing at home, we hope you enjoy the Easter period.

Easter Long Weekend opening hours are as follows:
Friday 7 April - Good Friday - CLOSED
Saturday 8 April - Easter Saturday - OPEN 10am to 4pm
Sunday 9 April - Easter Sunday - CLOSED
Monday 10 April - Easter Monday - CLOSED

Sincerely,

Your Good Life & AHC team

WELCOME HOME!

Remember when we introduced Ian and Vicki from number 82?

They just became our first Homeowners to move into their brand new home! Managing Director, Rod, personally handed over their home as the first of many to come at Good Life RV & Lifestyle Resort Fraser Coast.

As a gesture of our thanks for choosing to call Good Life 'home', we presented a special gift to Ian and Vicki. We hope you enjoy the tasty treats and take your personalised picnic basket on your next adventure.

We asked Ian and Vicki about their journey so far and Ian commented as follows;

"The most impressive thing about the whole process is that everything that the Good Life and AHC team said they would do they have actually done".

CONSTRUCTION UPDATE.

Construction Update!

Wonderful progress that we wanted to share.

Our first community Park is certainly taking shape and looking a treat. It will include a covered gazebo, 4 x electric BBQs and seating areas amongst landscaped and turfed open space. We can't wait to have our first of many afternoon sausage sizzles and drinks with our current and future Homeowners.

The RV Wash Bay and Hardstand are nearing completion. The wash bay will have a gantry level with all the equipment needed for Homeowners to give their RV a good clean after their trip.

There is no mistaking that you have arrived home when you nose up to the entry gates. The Entry Statement looks stunning with its handcrafted bespoke stonework, featuring arbours and landscaping.

We look forward to sharing more updates with you!

CONGRATULATIONS PAULINE AND MICHAEL!

Recently on a site visit, we snapped a shot of Pauline and Michael on their slab—an exciting milestone moment in construction and for homeowners. Since, construction has been progressing well, with frames up and the roof on! We can't wait to welcome them into their new home.
