### An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To Our Good Life Community,

We hope this message finds you well.

As the proud developer and owner of Good Life RV and Lifestyle Resort Fraser Coast, we are delighted to share a significant update with all of you.

With much excitement, we want to share the fantastic news that AHC Limited (AHC), going forward, will be the builder of our wonderful homes. This transition has always been part of the strategic plan.

AHC is Queensland based and Australian owned and has been a licensed builder and developer for over 33 years, successfully delivering and managing a myriad of residential, commercial, and industrial projects across Queensland and northern NSW. With our vast experience and expertise, we eagerly look forward to ensuring the Resort's completion with unwavering commitment to excellence.

We would like to take this opportunity to express our heartfelt gratitude to AUSMAR Homes, the builder who has been part of this incredible journey from the beginning. They have contributed immensely to laying the foundation of our dream community and we wish them all the best as they take a new direction in their own journey.

As Developer, Builder and Manager, we are committed and look forward to delivering a vibrant, inclusive, and thriving community for our Home Owners.

## NEW HOME OWNERS!

A BIG WELCOME & CONGRATULATIONS to Robert & Josie (S47) and David & Leigh (S27) on moving into your brand new homes! We couldn't be more thrilled to have you as part of our vibrant community.

Robert & Josie, originally hailing all the way from Sydney, we are delighted you have made your way up the eastern seaboard to call Good Life RV and Lifestyle Resort your home. Your GREVILLEA design with the Hamptons facade and Grande garage on a 400 square metre site is simply stunning!

David & Leigh, you've been with us from the very beginning and we are truly grateful for your unwavering support. Your vision for your future home base has come to life in S27, the largest site in the Clubhouse Precinct, spanning an impressive 733 square metres. Your WARATAH design with the Hamptons facade and Grande garage is a masterpiece!

To both couples, we extend our warmest congratulations on this momentous occasion. As you settle into your new homes, we are certain you will find adventure and lasting friendships within our wonderful community.
