CONSTRUCTION UPDATE.

At the end of 2022 we experienced extensive rain which impacted safe access to site to complete some scheduled construction works in December. We had our fingers crossed for a dry start to 2023, but unfortunately we have endured more rain.

With this said, we are working hard with Shadforth and Ausmar Homes to hit construction milestones and will continue to keep you posted.

Construction progressing this month is:

- 🔧 Landscaping progressing across the resort, including entry to The Boulevard and The Park.
- 🔧 New homes builds commence on Site 74, 75, and 33.
- 🔧 Entry statement structures, letterbox enclosure, entry gate structures, fencing and entry signage.

WE SUPPORT LOCAL.

Your community is our community.

You may have seen our new Good Life vehicle making trips around the Fraser Coast!

Our good friends at Wolf Design and Print located in Hervey Bay did an outstanding job with the design and installation.

Our team always look to shop locally and invest in the communities that we touch, and we couldn't recommend this team enough!

We want to hear from you!
