GOOD LIFE RV AND LIFESTYLE RESORTS

FRASER COAST

July Edition 23.

To Our Good Life Community,

Time truly flies, and here we are, already over halfway through the year! We love to watch the continuous growth and thriving nature of our community, with new homeowners moving in each month.

Last month, we organized two fantastic events aimed at fostering connections and establishing a vibrant community of friends. Our homeowners 'happy hour' was a delightful gathering held in the newly built BBQ shelter, where neighbours came together to enjoy good company, nibbles and drinks. We also hosted our first official open day, welcoming potential new members to explore and experience the excitement of Good Life RV & Lifestyle Resort Fraser Coast.

We truly appreciate your active participation and engagement, as it contributes to the thriving spirit of our Good Life community. As we look ahead to the last half of this year, we look to activate more areas for you to enjoy and continue to connect.

Sincerely,

Your Good Life & AHC team

NEW HOME OWNERS!

A heartfelt welcome to the newest Home Owners this month!

Peter and Jenny (S73) have just taken possession of their new home at Good Life Fraser Coast! They selected the Banksia home design with a spacious Grande garage (6m x 16m), on a generous 500 square meter site. We express our gratitude to them for returning the keys, allowing us the privilege of showcasing their pristine home as our official Display Home.

Noel, Sandra, and their beloved furry companion Mariah (S50) have recently moved into their new abode, featuring the Grevillea design and large Grande Garage (6m x 16m) on a 400 square meter site. Being in close proximity to our community Park and facilities, they are sure to become the envy of many.

We sincerely thank you for choosing to make Good Life RV & Lifestyle Resort Fraser Coast your new home.
