NEW HOW OWNERS!

What an exciting month we have had as we welcomed two new Home Owners to our growing community. Peter & Sue (72), and Ken & Elayne (76), are now settled into their brand new homes and enjoying getting to know their neighbours.

Peter and Sue selected the Waratah with Contemporary facade and 11 metre garage on a 500 sqm site. Ken and Elayne also built a Waratah with Contemporary façade, but opted for the Grande garage (6m x 16m) and Basalt external colour scheme.

We are so pleased to welcome these genuinely lovely people into the community and we wish them many beautiful years at Good Life RV & Lifestyle Resort Fraser Coast.

CONSTRUCTION UPDATE.

Construction Update!

With home owners moving in each month as the community continues to grow we are excited to show off the stunning progress at Good Life RV & Lifestyle Resort Fraser Coast.

In the last month we've installed walls on the RV Wash Bay and we expect this to be completed in the coming weeks. Conscious about smart water usage, we have installed water tanks that can hold up to 40,000 litres.

WHAT ADVENTURES HAVE YOU BEEN ON?

The adventures have already begun! David and Josie (71) have been travelling around and sending our team some happy snaps from their trip! They are looking forward to coming back to Good Life RV & Lifestyle Resort Fraser Coast to move into their brand new home. In the meantime they are enjoying their time amongst our beautiful countryside.
