GOOD LIFE RV AND LIFESTYLE RESORTS

FRASER COAST

## March Edition 23.

To Our Good Life Community,

We have some exciting news!

In the next few weeks, we will be welcoming the first of our community into their new homes!

We are incredibly proud of our team and partners for producing exceptional homes.

We look forward to welcoming more and more homeowners over the coming weeks.

Sincerely,

Your Good Life & AHC team

## CONSTRUCTION UPDATE.

It has been another big month on site as we move towards some huge project milestones.

We now have 5 houses nearing completion, and construction on the park has now commenced. The

Park will provide a meeting and social venue for homeowners in the very early days and will feature open

spaces, landscaped gardens, and shaded BBQ areas with two BBQs. Scheduled for completion by the

end of March 2023, we look forward to the first of regular drinks, nibbles, and BBQs with our

homeowners.

## ONE TEAM.

We are proud of the team that we partner with to deliver our communities. While we are working hard

towards one common goal we make sure we take time to spend some quality down time together too.

Recently, our building team clocked off in the afternoon and enjoyed a sausage sizzle and shared a

beverage. A special thank you to our local suppliers, Howard Bakery and Howard Butcher, who provided

the delicious food.

Finally, thank you to many hands that it takes to build a quality community and for their time and skills to

ensure we get you in your new home sooner.

## IN OTHER NEWS.

### RV Wash Bay.

Your new RV Wash Bay has commenced construction. The concrete pad is expected to

be poured in the next couple days. This bay will

be fully powered and will be the perfect place to

wash off your many adventures when your

return home to your Good Life Community.

### Landscaping and Gardens

We have carefully considered the gardens and landscaping for the homes at Good Life RV &

Lifestyle Resort. Featuring stunning Australian

Natives, we expect them to create a thriving

environment for wildlife, including birds,

butterflies, and bees.

Make sure you snap photos of your landscapes

as they grow and change with the surrounding

community.

### Lighting up the Boulevard!

Our team were treated to a milestone moment at

the resort last month as the entry statement was

lit up as they were leaving for the day.

The landscaping and entry statement looked

stunning at night and we felt so much closer to

sharing this new community with you.
