FRASER COAST

May Edition 23.

To Our Good Life Community,
PROGRESS PROGRESS PROGRESS!

Our lovely homeowner, Ian, has been kind enough to use his drone skills to send us photos of your Good Life community over the past 6 months. Its one thing for us to tell you about the hard work that is going into bringing to life Good Life RV & Lifestyle Resort Fraser Coast, but a picture speaks a thousand words.

Thank you Ian for sending through these photos for everyone to enjoy.

Sincerely,
Your Good Life & AHC team

WELCOME HOME!

We have had two new home owners join the community in the last month!

Welcome Home Robbie & Lynne (S67 - Bottom Photo), and Larry & Noeline (S69 - Top Photo).

Larry & Noeline (S69) formerly of Sandy Beach & Woolgoolga on the NSW mid north coast, took possession of and moved into their beautiful brand new home - a Waratah with Skillion facade & 16 metre garage. Kingston their furbaby has also made himself feel right at home.

Robbie & Lynne's beautiful new home is a Waratah with a Hamptons facade and Grande garage (6m x 16m) on a 500 sqm site. Baileys their fur baby seemed to take a liking to his new home in particular the generous back yard with turfeded and landscaped gardens.

Congratulations to our two newest homeowners, we can't wait to welcome many more!
