FRASER COAST

### November Edition 23.

#### An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To Our Good Life Community,

Another busy month for all and now only single digit weeks away from Christmas.

Before we get to Christmas there is so much more to do including more home completions and welcoming of new Home Owners, more home starts, progress in the construction of the Clubhouse and in between, some down time to watch the 162nd running of the race that stops the nation...the Melbourne Cup.

There is still time before the year is out to lock in your new home build at current pricing.

If you would like a tour behind the gates and our display home, call 1800 258 369 or you can [book a convenient time right now online by clicking here.](#)

### NEW HOME OWNERS!

#### A BIG WELCOME & CONGRATULATIONS!

##### 74 The Boulevard - Tony & Mary

Tony & Mary join us from Ormeau on the northern end of the Gold Coast Qld.

A Grevillea floor plan with a RV Garage (6m x 11 metres) and the classic Hip facade, Tony & Mary's beautiful new home is adjacent to the 20 hectare private nature reserve and is located on a premium 490 square metre site on The Boulevard. The Grevillea is a spacious 2 bedroom plus multi-purpose room home.

##### 33 Serenity Drive - Katie & Lyle

Katie & Lyle will join us from Uranquinty (south of Wagga Wagga NSW). Wrapping things up back home before they join us, Katie & Lyle have kindly allowed us to use their beautiful new home as a display home before they move in.

Katie & Lyle's home is a Waratah with Grande garage (6m x 16 metres) with the popular Hip facade.

Site 33 enjoys close proximity to the Clubhouse and Country Club precincts and also shares its rear boundary with our Central Park.

The Waratah is a large 3 bedroom home featuring seamless open plan living.

*To Tony, Mary, Katie and Lyle, we extend our warmest congratulations on this momentous occasion. As you settle into your new homes, we are certain you will find adventure and lasting friendships within our wonderful community.*

### CONSTRUCTION UPDATE.

Exciting Developments and Milestones at Good Life RV and Lifestyle Resort! 🏡🏠

We are pleased to provide you with the latest progress update.

#### The Clubhouse Precinct

🏡 It is very exciting to announce the commencement of works for Clubhouse precinct community facilities. Excavation, boxing and pouring of the foundation footings for the perimeter retaining walls has been completed. Block works for the retaining walls has commenced.

The Clubhouse building will have a large recreation room with lounge area and kitchenettes, sauna, gym, bathrooms and bbq facilities. The Clubhouse precinct also includes a large heated pool, spa, bocce court, tennis court and fire pit. It will be a great place for Home Owners to meet, socialise with other Home Owners, hold functions for special occasions and of course, keep fit.

The proposed schedule is to firstly complete the Clubhouse building itself, closely followed by the pool and spa and then following on to the tennis court, bocce court and fire pit.

We look forward to bringing you regular updates on its progress.
