The Good Mail

GOOD LIFE RV AND LIFESTYLE RESORTS
FRASER COAST

October Edition 23.

To our Good Mail Community,

Wow...already well into spring with Christmas fast approaching.

We have a busy lead up to Christmas with new home starts, completing new homes, welcoming new Home Owners to the Community, bringing community facilities on line and pushing others along.

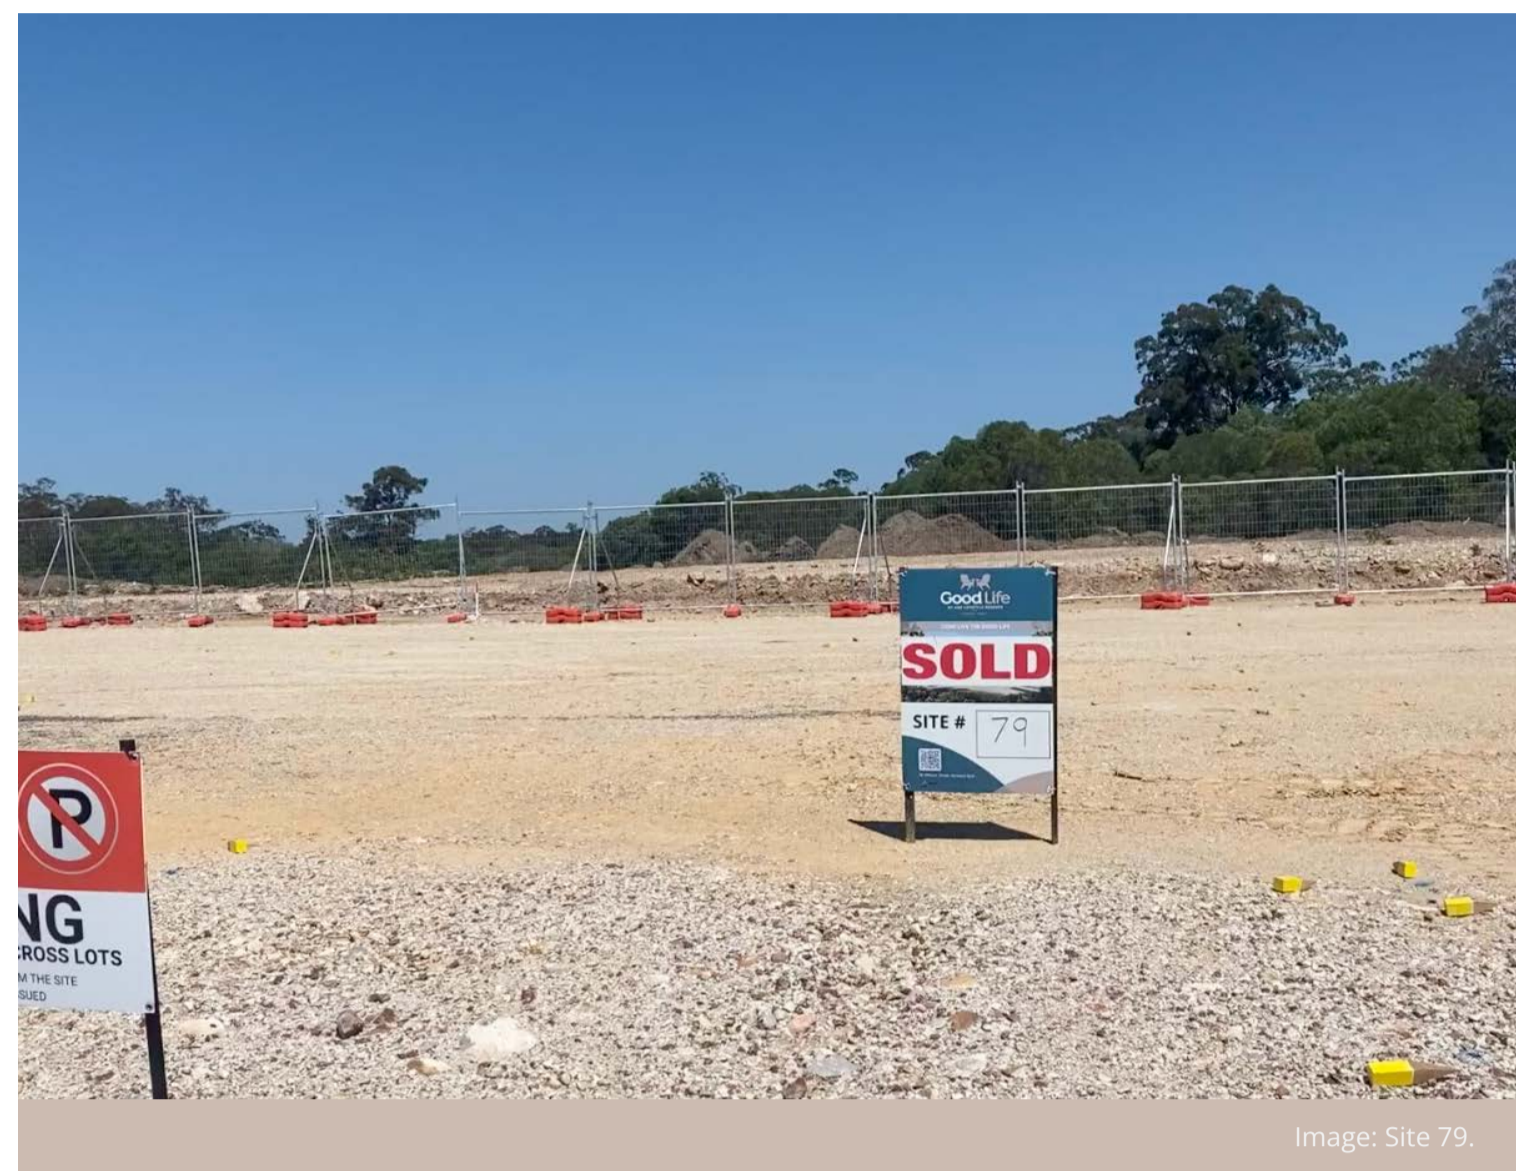

We are looking forward to our next social event which is a Melbourne Cup Lunch at the Burrum District Golf Club.

Some of you may have inspected our Display Home which is a Banksia floor plan. We are excited about having a second Display Home now available for inspection which is a Waratah floor plan, with a Grande garage (6m x 16 metres) with a Hip facade with its alfresco area overlooking the Park.

Construction Update. On the ground!

Off Leash Dog Park

We know how much our furry friends love the freedom of running around free and off their lead. With the fencing and gates completed, irrigation installed and near 600 sqm of turf down, our Dog Off Leash Park located in the RV Hardstand and Wash Bay precinct has come up a treat. We look forward to welcoming our furry friends to their new playground.

Clubhouse Construction Commencement

Our attention now turns to the Clubhouse Precinct...how exciting!

The Clubhouse includes a furnished large recreation room with big screen TV, fully equipped kitchenette, gym and sauna and is the focal point of the Clubhouse precinct that includes a heated spa and pool, tennis court, bocce court, fire pit and bbq facilities. We look forward to bringing you regular updates with its progress.
