RESORT UPDATES

Clubhouse Precinct - Tennis Court, Bocce Court & Fire Pit

Construction officially kicks off on the new flood-lit tennis court, the latest addition to our Clubhouse Precinct.

Completing this precinct are the Bocce Court and community Fire Pit. These facilities are in the final stages of planning and implementation and will closely follow the completion of the "soft" tennis court.

Stay tuned for updates!

Stage 2 - Update

Excitement and popularity around the Stage 2 release continues with only 7 home sites remaining.

The popularity of this stage release is of no surprise with its elevated location, proximity to the Burum District Golf Club and of course our very own design award winning Clubhouse.

We are also excited about the diverse home styles selected by our future home owners including selections from our new Easy Living Collection - the Ironbark and Melaleuca featuring both Modern and Classic facade styles. The Waratah, Banksia and Greyhaze designs have also been popular with 18 metre and 11 metre garages.

Lines on map can't truly represent the charm of Stage 2's location and ambience. We highly recommend a Resort Tour to see for yourself.
