FRASER COAST

December Edition 25.

An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To our Good Life Community,

2025 has been a year of remarkable progress for our community, marked by the completion of the final stage of The Clubhouse precinct, including the new fire pit, bocce court and tennis court. We also made significant headway on Stage 2, introduced a dedicated golf cart path connecting directly to the Burrum District Golf Course next door, and welcomed many new Home Owners into our growing community.

The continued support of our Home Owners plays a vital role in shaping the warm, vibrant atmosphere we are so proud of, and we are truly grateful for your involvement.

For those considering a move to Good Life RV and Lifestyle Resort Fraser Coast, we would be delighted to show you firsthand what makes our community so special! [Book your Resort Tour Here.](#)

As the Festive Season arrives, the AHC & Good Life family extends our warmest wishes to you and your loved ones. May your holidays be filled with joy, connection and plenty of laughter.

Warm Regards and Merry Christmas,
The AHC and Good Life Team

MEET THE TEAM

MEET HUGH

As our Cadet, Hugh has quickly become an invaluable part of the Good Life Fraser Coast team since joining us just six months ago. Working across estimating, purchase orders, and financial accounts, he plays a key role in supporting our day-to-day operations and ensuring everything runs smoothly behind the scenes.

What truly sets Hugh apart is his eagerness to learn and his open-minded, can-do attitude. He approaches every task with enthusiasm and a willingness to grow - qualities that make him a standout team member.

We're incredibly grateful to have Hugh on board and can't wait to see his continued growth within the team.

HOWARD HISTORIES

In this month's Howard History we are talking about how in 1883, the railway rolled into Howard and changed everything, transforming a scattered mining outpost into a growing township connected to the wider world.

Today, our little station still links Howard to Brisbane, the Fraser Coast and beyond... a reminder of how one rail line helped shape the town we know today.
