May Edition 26.

An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To our Good Life Community,

We hope you've been enjoying the crisp Autumn days and are settling well into the season.

April was another wonderful month at Good Life Fraser Coast, and we're excited to carry that momentum into May. With continued progress across the community, we've seen further home starts and handovers, welcoming more Home Owners into our growing neighbourhood.

This month also brings some exciting opportunities, with the release of new homesites, including a limited number of premium lots offering more space and flexibility for those looking to build their dream home within our community.

It's fantastic to see the community continue to grow, and we look forward to welcoming more new Home Owners in the months ahead.

With plenty happening and more to come, May is shaping up to be another exciting chapter at Good Life Fraser Coast.

Warm Regards,
The AHC and Good Life Team
