July Edition 26.

An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To our Good Life Community,

Welcome to the July edition of The Good Mail.

As winter settles in, there's never been a better time to discover what life at Good Life RV & Lifestyle Resort is all about. Whether it's unwinding in the heated spa and sauna, relaxing around the fire pit, or enjoying the many resort-style facilities, there's no shortage of ways to stay warm and connected.

June marked a major milestone with the official launch of Stage 3 – The Wellness Precinct. With Stages 1 and 2 now completely sold out, demand for resort-style living at Good Life continues to grow, and Stage 3 offers an exciting opportunity to become part of our welcoming over-50s community.

This month, we're showcasing our established homes, offering those looking for a quicker move the opportunity to join Good Life without the wait. We'll also be celebrating the July birthdays for our Good Life Team and sharing more of the resort-style amenities that make winter at Good Life so enjoyable.

We hope you enjoy this month's edition and look forward to sharing more exciting updates with you soon.

**Warm Regards,
The AHC and Good Life Team**
