Good Life

THE PERFECT PLACE TO CALL HOME

June Edition 26.

An Important Update about Good Life RV and Lifestyle Resort Fraser Coast

To our Good Life Community,

Welcome to the first month of Winter! As the cooler weather arrives, we hope you're enjoying the change of season - our Home Owners will be making the most of the cosy firepit in the Clubhouse Precinct with friends and neighbours.

May was another exciting month at Good Life Fraser Coast, with continued progress across the community and more Home Owners settling into their new homes.

Looking ahead to June, we have plenty to be excited about. This month, we hosted an opening event for our new Community Garden, bringing Home Owners together to help create and enhance a shared space for everyone to enjoy.

We're also pleased to see further progress being made on the Hobby Shed, which is shaping up to be a fantastic space for our Home Owners.

It's wonderful to see our community continuing to grow, connect and thrive. We look forward to sharing more updates with you throughout the month and welcoming more Home Owners to Good Life Fraser Coast.

Warm Regards,
The AHC and Good Life Team

RESORT UPDATES

WHAT YOUR GOOD LIFE FRASER COAST HOME COULD LOOK LIKE!

We're loving these beautifully staged photos of Display Home 53, the first home in the Resort to feature our brand new Traditional colour scheme. From the furniture styling through to the décor selections, every detail was carefully chosen to complement the home's finishes and bring the space to life.

This gorgeous home has already been snapped up, but there's plenty more inspiration to come. Next month, we'll be unveiling a brand new display home showcasing our beautiful Provincial colour scheme.

At Good Life Fraser Coast, there's a style to suit everyone, with a range of façades and thoughtfully curated internal and external colour schemes to choose from

FACILITY SPOTLIGHT: THE RV WASH BAY

One of our Home Owners' favourite Resort facilities has to be the RV Wash Bay!

Designed for convenience and ease, our wash bay is equipped with two Australian-made pressure pumps, three high-pressure sprayers, and a gantry level, making it simple to keep your RV, boat, or car looking spotless.
